25X1 1. Boundaries of the Military Training Camp (VVT), Mimon (051/F82):

On the whole the area of the camp lies south of Mimon. The following are the boundaries: Mimon - out of the area; Plouznice - within the area; Veseli - within the area; the road Veseli-Srni-Providin, gamekeeper's house Horni Tenfloessig, Stare Splavy - off the area; Brehyne - outside the area; northern edge of the pond Brehyne; the castle Bezdaz - outside the area; Hlinoviste - outside; the road Hlinoviste-Bela - outside; Vrehbela - within; Dolni Krupa - within; Horni Krupa - outside; the belt of woods to Osecna, Osecna - outside; Kundratice - outside; Hamr - outside; Straz pod Ralskem - outside; Noviny - outside; Ralsko Castle - within; Plouznice (see above) - within.

2. The following military units are located in the area of VVT Mimona:

- a. At Mimon: headquarters of the Ralsko area of the camp; headquarters of the Mimon post; one infantry battalion with some 60 trucks at its disposal; one signal company; medical service for the whole VVT area; telephone switchboard for the whole VVT area; automobile fuels store (APH) located in the barracks near the church; and a radio jamming station. The Mimon Military Training Camp is also equipped for paratroop training. There are many Russian officers in the camp. Each unit reportedly is supervised by one Russian officer.
- b. At Hvezdov: a support engineer battalion (PTP). This battalion consists of politically unreliable soldiers. The number of men varies around 1,000. The conscripts of the battalion perform manual labor in the whole area of the VVT. Elements of the battalion have been sent to other areas, e.g. to Plzen and Zatec.
